We wouldn’t be here without ICMA.

ICMA, you are the reason we exist today. We first partnered with you over 50 years ago to fulfill your vision of providing portable retirement plans to city and county managers. Our commitment to you and the public sector continues to be as strong as ever, and we are proud to have helped over 3 million public employees retire well.

We value your partnership and look forward to serving the ICMA family for the next 50 years and beyond.

Greetings!

The Host Committee welcomes you to the 2023 ICMA Annual Conference in Austin. We hope you had a safe journey here and that you are ready to have some of the best experiences in Austin and our region. It’s been six years since an ICMA Conference was held in Texas, and we appreciate the opportunity to welcome you back!

In collaboration with the 2023 ICMA Annual Conference planning team, we’ve put together a hearty helping of activities, events, workshops, and amenities. Our goal is that you not only learn from the vast catalogue of conference sessions and workshops offered but that you also have a fun time visiting Austin and our regional cities and towns.

While you’re in between sessions, please come by the ATX Attendee Lounge, which will be located just outside Exhibit Hall 4 and open Saturday through Wednesday of the conference. We are programming the lounge with opportunities to meet and interact with City of Austin leadership, TCMA leadership, snap and share pics with famous ATX murals, enjoy live music and local art, grab a bite to eat and a local, hand-crafted cup of coffee, and stock up on souvenirs to take home.

The Saturday evening reception will take place at Austin’s world-class Central Library overlooking Lady Bird Johnson Lake. The Central Library is unlike any standard library, so get ready for a unique experience. And for the Tuesday night networking event, we will host you at Austin’s Palmer Events Center which offers spectacular nighttime views of the downtown skyline. For the networking event, we have planned a Texas-sized farewell filled with live music and interactive entertainment for a fun and festive night.

We appreciate the opportunity to host the 2023 ICMA Annual Conference, and we are sure you will have a great time!

Sincerely,

2023 ICMA Annual Conference

AICP-CM CREDITS
ICMA has registered with the American Institute of Certified Planners (AICP) to provide Certification Maintenance (CM) credits. AICP members can earn CM credits for approved programs at the ICMA Annual Conference. Visit planning.org/cm to claim credits. A note following the session indicates the number of AICP-CM credits that can be earned. A listing of the sessions that qualify for credit may be found on the agenda page of the conference website and in the conference app when you filter by Track to AICP Credits.

HEALTH AND SAFETY*
Policies for each meeting will be set according to CDC and public health recommendations, federal, state, and local regulations applicable at the time of the event, and what ICMA deems necessary to manage the risk for its event attendees. ICMA may change, update, or add to these requirements at any time as it deems prudent to best protect the health and safety of attendees and others, and attendees must comply with relevant policies and requirements as communicated by ICMA.

If you are experiencing any COVID-19 symptoms, self-isolate and get tested immediately.
Face masks are not required during the conference and should be used at your own discretion.
* As of September 13, 2023 and subject to change

Session Types
The 2023 ICMA Annual Conference offers a variety of education program formats. Whether you enjoy presentation-style sessions, the open dialogue of discussions, or a hands-on learning workshop, you can customize your learning in Austin so it works best for you.

**DISCUSSIONS**
An interactive group discussion between participants on a specific topic or issue. Facilitators will begin the session with an introduction to the topic, followed by discussion with the participants.

**EDUCATION SESSIONS**
This traditional session features a speaker(s) or panel focusing on a specific topic. Designed for attendees who want a general overview of a concept or idea, rather than an in-depth exploration. Time for audience questions and answers is allotted. Many presenters will also take questions after the session ends via the ARS button located in the conference app.

**ICMA MICRO-CERTIFICATION SESSIONS**
Sessions provide highly targeted, meaningful professional up-skilling designed to ensure local government professionals have the adaptive advantage to perform the work that must be done—right now. Think of our Micro-Certificate programs as a bootcamp for those who want to grow their competencies in subjects most relevant to their professional lives, in ways that allow them to acquire skills that are not only vertical, but transversal. Additional fee applies.

**PRODUCT THEATER SESSIONS**
Case studies of local governments that have overcome challenges through innovative public-private partnerships.

**SYMPOSIUMS**
These sessions are curated by ICMA subject matter experts and are geared toward specific audiences.

**WELLNESS SESSIONS**
*New this year!* We will feature three Wellness sessions: Hatha Yoga (Monday 2:00 p.m. – 2:45 p.m.), Bolly X Cardio (Tuesday, 2:00 p.m. – 2:45 p.m.), and Strength and Fitness (Wednesday, 9:00 a.m. – 9:45 a.m.). To sign up, visit the ATX Attendee Lounge located outside of Exhibit Hall 4.
