*"The ICMA Annual Conference is probably the most efficient and effective way to engage with various local government leaders across the country. We are able to network with existing partners and get exposure to new opportunities that help grow other communities.*

*"This was a great way to engage with leaders from cities all over the country. The show was executed professionally and there were many opportunities to engage with key contacts in person versus just behind a computer screen. We also were able to meet clients in person that we previously only knew via Zoom."*
